Dear Sir:

I hereby declare the following:

1. I am the original and sole inventor of the subject matter which is described and claimed in U.S. Patent 6,258,082, a copy of which is attached to this declaration. I have reviewed and understand the contents of this patent, including the claims.
2. I have reviewed and understand the contents of the Preliminary Amendment filed on 10 July 2003, a copy of which is attached to this declaration. I am the original and sole inventor of the subject matter recited in the amended claims presented in the Preliminary Amendment, including new Claims 16 through 18.
3. I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. § 1.56.

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful, false statements may jeopardize the validity of the application or any patent issued thereon.

DECLARATION BY TIMOTHY SHEA UNDER 37 C.F.R. § 1.47(b)
REGARDING NON-SIGNING INVENTOR JUI-TENG LIN

Commissioner for Patents
Post Office Box 1450
Alexandria, Virginia 22313-1450

Sir:

I, Timothy Shea, declare the following:

1. I am the President and Chief Operating Officer of SurgiLight, Inc. ("SurgiLight").
2. On or about 11 August 2005, Colette Cozean ("Cozean"), Chief Executive Officer for SurgiLight, instructed me to procure the signature of Dr. Jui-Teng Lin ("Lin") on a Reissue Declaration for U.S. Patent Application 10/621,105 ("the '105 Application"). Cozean asked me to send any correspondence associated with these instructions under Cozean's signature.
3. At the time I received Cozean's instructions as set forth in Paragraph 2 of this Declaration, I understood that (a) Lin was incarcerated at the Coleman Low Security Federal Correctional Institution, and (b) Lin's current mailing address was:

Jui-Teng Lin, Ph.D.
Coleman Low FCI
846 NE 54th Terrace
Post Office Box 1029
Coleman, Florida 33521

4. On or about 23 August 2005, I sent Lin, via the United States Postal Service, Certified Mail Return Receipt Requested, a copy of the '105 Application and a Reissue Declaration for this application. I sent these materials to Lin with a note asking him to execute the Reissue Declaration and return it to SurgiLight. I did not include a pre-stamped return envelope because my understanding is that prison policy prohibits delivery pre-stamped envelopes to inmates. I sent these materials to the address set forth in Paragraph 3 of this Declaration. A copy of the Reissue Declaration sent to Lin is attached hereto as Exhibit A, and is incorporated by reference herein. A copy of the note sent to Lin is attached hereto as Exhibit B, and is incorporated by reference herein. A copy of the Certified Mail Receipt for this mailing is attached hereto as Exhibit C, and is incorporated by reference herein.
5. I am informed and believe that Lin is married to Yuchin Lin, whose last known address to me is:

Yuchin Lin
4532 Old Carriage Trail
Oviedo, Florida 32765
6. On or about 23 August 2005, I sent Yuchin Lin, via the United States Postal Service, Certified Mail Return Receipt Requested, a copy of the '105 Application and a Reissue Declaration for this application. I sent these materials to Yuchin Lin with a copy of the note provided in Exhibit B. I sent these materials to the address set forth in Paragraph 5 of this Declaration. A copy of the Certified Mail Receipt for this mailing is attached hereto as Exhibit D.
7. I received a signed delivery receipt indicating that the mailing set forth in Paragraph 4 of this Declaration was received at the Coleman Low Security Federal Correctional Institution on 25 August 2005. The mailing set forth in Paragraph 4 of this Declaration was returned to me by a prison official with a

label indicating that the correct correspondence address for Lin was a different Post Office Box than that listed in Paragraph 3 of this Declaration. Copies of the signed delivery receipt and the returned envelope are attached hereto as Exhibit E, and are incorporated by reference herein.

8. The mailing set forth in Paragraph 6 of this Declaration was returned to me as "Unclaimed". A copy of the returned envelope is attached hereto as Exhibit F, and is incorporated by reference herein.
9. On or about 8 November 2005, I sent Lin, via the United States Postal Service Express Mail Service Label EQ324119935US, a copy of the '105 Application and a Reissue Declaration for this application. I sent these materials to Lin with a note asking him to execute the Reissue Declaration and return it to SurgiLight. I sent these materials to the address set forth in Paragraph 3 of this Declaration. A copy of the note sent to Lin is attached hereto as Exhibit G, and is incorporated by reference herein. A copy of the Express Mail receipt for Label EQ324119935US is attached hereto as Exhibit H, and is incorporated by reference herein. A copy of an email confirming that Express Mail Label EQ324119935US was delivered on 10 November 2005 at 10:42 am is attached hereto as Exhibit I, and is incorporated by reference herein.
10. On or about 9 November 2005, I sent Lin, via the United States Postal Service Express Mail Service Label EQ324119952US, a copy of the '105 Application and a Reissue Declaration for this application. I sent these materials to Lin with a note asking him to execute the Reissue Declaration and return it to SurgiLight. The note also asked Lin to note any corrections to his address on the Reissue Declaration using initialed and dated handwritten notes. I sent these materials to the following address, which was indicated on the returned envelope referred to in Paragraph 7 of this Declaration and a copy of which is provided in Exhibit E of this Declaration:

Application 10/621,105

Jui-Teng Lin, Ph.D.
Coleman Low FCI
846 NE 54th Terrace
Post Office Box 1031
Coleman, Florida 33521

I included Lin's inmate identification number (67773-053) on the mailing. A copy of the note sent to Lin is attached hereto as Exhibit J, and is incorporated by reference herein. A copy of the Express Mail receipt for Label EQ324119952US is attached hereto as Exhibit K, and is incorporated by reference herein. A copy of an email confirming that Express Mail Label EQ324119952US was delivered on 14 November 2005 at 9:39 am is attached hereto as Exhibit L, and is incorporated by reference herein.

11. As of the date of this Declaration, I have not received any papers signed by Lin from either Lin or his wife in response to any of the mailings set forth herein. In particular, I have not received a Reissue Declaration signed by Lin for the '105 Application.

12. All statements made herein of my own knowledge are true. All statements made on information and belief are believed to be true. I am signing this Declaration with knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the '486 Application or any patent issuing therefrom.

REISSUE DECLARATION UNDER 37 C.F.R. § 1.175

Dear Sir:

I hereby declare the following:

1. I am the original and sole inventor of the subject matter which is described and claimed in U.S. Patent 6,258,082, a copy of which is attached to this declaration. I have reviewed and understand the contents of this patent, including the claims.
2. I have reviewed and understand the contents of the Preliminary Amendment filed on 10 July 2003, a copy of which is attached to this declaration. I am the original and sole inventor of the subject matter recited in the amended claims presented in the Preliminary Amendment, including new Claims 16 through 18.
3. I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. § 1.56.

4. I verily believe the original patent to be wholly or partially inoperative or invalid, because the patentee mistakenly claimed less than the patentee had the right to claim in the patent. At least Claim 3, as set forth in the Preliminary Amendment, is broader than the claims of the original patent in at least some aspects.
5. All errors which are being corrected in this reissue application arose without any deceptive intention on my part.
6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful, false statements may jeopardize the validity of the application or any patent issued thereon.
